State Representative Minnie Gonzalez (D-Hartford) applauded the approval today by the State Bond Commission of funds for a library in Pope Park.

“I would like to thank Governor Malloy and my colleagues that supported and made this relocation of a Library in Pope Park a reality,” **Rep. Gonzalez** said. “This is a great accomplishment, especially in these tough economic times.”

\$5,000,000 was approved for relocation of the Park Branch to the former Lyric Theater site on Park Street.

“Libraries are always welcomed because they provide quiet places of learning where young and adult people can go and access the great sources of information they provide,” **Rep. Gonzalez** added.

The State Bond Commission approved the funding in a meeting held on Tuesday, November 15th. The funding is on [Bond Commission Agenda Item #28](#).
